## **DETAILED ACTION**

### ***Response to Amendment***

Claims 11-16 are presented for examination.

### ***Claim Objections***

Claim 11 is objected to because of the following informalities: A period is required at the end of the claim. Appropriate correction is required.

### ***Claim Rejections - 35 USC § 112***

Claims 11-16 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 11 recites the limitation "on the boat" in lines, 2, 4. There is insufficient antecedent basis for this limitation in the claim.

Claims 12-16 are also rejected for incorporating the deficiencies of their base claim.

### ***Response to Arguments***

Applicant's arguments with respect to claims 11-16 have been considered but are moot in view of the new ground(s) of rejection.
